Marp Header

```
title: Demo
description: Demo TUM Marp Template
_class:                                    # First slide
  - lead                                   # Title slide style
footer: Presentation Title | Author Name   # Slide footer
_footer: ""                                # No footer on title slide
paginate: true                             # Page numbers
_paginate: false                           # No page numbers on title slide
marp: true                                 # Nice preview for the VS Code extension
```

Light Theme

Light Theme Slide

Bullet Points

- Show all

- at once

- or one

- by one

Tables

Header	Header
Text	Text

Images

Background Images

- Full Size

Background Images Customized

- 60% slide width

- 80% image size

Code

```cpp
#include <iostream>

int main(int /*argc*/, char** /*argv*/)
{
    std::cout << "Code with syntax highlighting!" << std::endl;

    return EXIT_SUCCESS;
}
```
